

14 LAND ART & NATURE

Sculpture Ideas

Arrange & Pattern

- Arrange petal mandalas from fallen blossoms in concentric circles
- Create twig frames around wildflowers as natural picture frames
- Arrange leaves in a color gradient from green to yellow to red
- Create seed mosaics using acorns, chestnuts and pine cones
- Make a face on the ground with leaves and stones

Build & Sculpt

- Make mud sculptures decorated with seeds, petals and grass
- Stack beach stones into balance sculptures
- Build a gravity marble run using bark channels and acorns
- Freeze natural materials into ice sculptures overnight
- Build snow spirals, walls, labyrinths and furniture

Weave & Hang

- Build a wind chime from sticks and dried seed pods
- Hang leaf mobiles from tree branches
- Weave stick and leaf crowns with autumn foliage
- Create sand labyrinths decorated with shells and sea glass
